Dear Holly -

Please help us get this resolved with your office.

We made our first request Nov 15. This is now the 4th request between myself and Yuval.

We were provided the copies well in advance of the ballot phase during the ADBID renewal and there is no difference in the circumstances.

We would appreciate your help in expediting this request as we have now been asking for over a month. PDF would be appreciated but I am available to pick up copies on Thursday if necessary. We would also like a copy of your summary findings and any work papers of your calculations (again electronic preferred) that support the certification.

Thank you for your assistance and Happy Holidays!

Laura
